

Here is a checklist of details for camp:

1. Please complete the registration form and include dates for which your campers will attend.
2. The camp is open to kids of all ages and all levels. As a result, I will attempt to group kids accordingly to ensure the most rewarding experience. I may offer you alternative dates if I find more suitable opportunities for your camper(s). Kids will be participating in and encouraged to try a variety of riding disciplines including English, Western, Wagon Driving, Ground Training, Horsemanship and Horse Care.
3. All camp activities will be held on GB's Stable premises including riding trails and outdoor time at the lake. Campers will not be allowed to swim or go in the lake, but we may do other water activities such as bathing horses at the barn.
4. All campers will be required to wear pants and closed-toe shoes. Riding helmets will be provided. However, campers may bring their own (approved) riding helmets.
5. All parents must also sign a liability waiver. Waivers will be available for you to sign upon arrival at camp.
6. Campers will be videoed and photographed on the premises. By participating you agree to allow GB's to take video and photos during camp and post on GB's social media, website and other marketing materials.
7. Campers must bring their own daily lunch. However, we may have treats every so often so please list any allergies on registration form.
8. Camp will proceed rain or shine. Riding may be limited or not available during inclement weather. On those days, camp will resume with indoor activities (including interactions with horses).
9. Cost of the camp per week is \$550 and \$125 for individual days. Payments may be made in cash or via VENMO @JoannaBednarz (#3425). **Please ensure to keep the "friend" payment option otherwise you will be responsible for the percentage of payment that Venmo requires for third-party transactions. Thank you!**
 - a) \$25 discounts will be applied if registered prior to March 31st
 - b) \$25 discounts for multiple weeks will also be available upon request.
 - c) Extended hours are available upon request (\$45/hour/child).
 - d) Payments are non-refundable. However, we will do our best to reschedule your week(s) of attendance in the event of emergencies.
10. Registration is open and spots per week are limited. I encourage you to please send in your registration and payment as soon as possible to ensure your place in your desired week(s).
